Education

Denison University | Granville, OH — Expected Graduation May 2028
Bachelor of Arts, Data Analytics — GPA: 3.64

Relevant Skills

Languages & Libraries: Python (pandas, XML, JSON), SQL, R (tidyverse, ggplot2, dplyr), JavaScript
Analytical Methods: Regression, Hypothesis Testing, ANOVA, Chi-Square, T-Tests, Bootstrapping
Data & Technical Skills: Data Cleaning, Statistical Analysis, Data Transformation, Relational Databases, Data Visualization
Software & Tools: Excel, Jupyter, RStudio, GitHub, VS Code, Quarto, PowerPoint, Word

Projects & Research

McCallie School Strength & Conditioning | *Jump Performance & Force Analysis* — Summer 2026
- Analyzed 7,200+ jump records to identify trends in jump height, relative propulsive force, and performance
- Used R and statistical methods to establish performance ranges and compare force across jump-height categories
- Developed visualizations and benchmarks to help strength staff evaluate performance and inform training decisions

Independent Data Analytics Project | *NCAA Swimming Performance Analysis* — Fall 2026
- Analyzed 467 swimmer-event performances to assess how NCAA seed rank relates to performance and scoring
- Built a logistic regression model to estimate scoring probability based on pre-meet seed rankings
- Evaluated model performance using classification metrics, threshold analysis, ROC curves, and AUC
- Found that 24% of scoring positions were earned by swimmers seeded outside the top 16

Denison University | *Terrorism Dataset Lab* — Spring 2025
- Analyzed 180+ offender records to identify relationships between offender characteristics and attack behavior
- Applied chi-square, ANOVA, and regression to evaluate relationships and identify significant patterns
- Used stepAIC for model selection and communicated key findings through statistical outputs and visualizations

Work Experience

Chattanooga Golf and Country Club | Chattanooga, TN — Summers 05/21 - 08/25
Lifeguard
- Monitored pool areas and ensured safety of 100+ members through active scanning and rule enforcement
- Responded to emergencies using CPR, first aid, and water rescue training while maintaining safe pool operations

Swim Team Assistant Coach
- Coached 30+ youth swimmers ages 4–15 in stroke technique, endurance, race strategy, and individual development
- Provided individualized feedback while fostering a positive environment focused on confidence and performance

Moccasin Bend Golf Club | Chattanooga, TN — Summer 05/26 - 08/26
Cart Attendant and Cart Detailer
- Maintained and detailed golf carts while delivering efficient, dependable service to club members

On-Campus Leadership And Involvement

Denison University Men's Swimming & Diving Team — 07/24 – Present
Varsity Student-Athlete
- Commit 20+ hours weekly to training and competition while maintaining a full academic course load
- Compete at the NCAA Division III Championships in multiple events in a high-performance team environment
- Contributed to back-to-back NCAA Division III National Championships in 2025 and 2026
- Demonstrate discipline, resilience, and leadership while embodying a "Sempre Avanti" (always forward) mindset

Denison Student-Athlete Advisory Committee (SAAC) — 2025 – Present
Men's Swimming & Diving Team Representative
- Represent the men's swimming and diving team while contributing to student-athlete initiatives and discussions

Radical Hope Leader — 08/26 – Present
Men's Swimming & Diving Team Leader
- Selected to serve as a Radical Hope Leader, supporting team culture, leadership, and connection among teammates

Honors & Awards

- First Team All-American – Awarded for top national performance at the NCAA Championships — 2025, 2026
- First Team Scholar All-American – Recognizes excellence in academics and athletics — 2025, 2026
- Dean's List – Awarded for achieving a semester GPA of 3.7 or higher — 2025, 2026
